

Inflatable PFDs

Fluid 2.0

Premium Inflatable Belt Pack PFDs for enhanced performance & comfort. The Inflatable life jacket inflates manually by pulling the inflation handle or by oral inflation. A totally new USCG approved slim line shape, loaded with extra features for every kind of SUP paddling – including FLATWATER, RACE, and SUP YOGA. Type III PFD

- Streamline Shape
- 2" Soft Webbing Prevents Chafing
- D-Ring Attachment Included
- Signal Whistle Premium Halkey Roberts Inflation Mechanism
- Easy To Install 24-Gram Bayonet Style CO2 Cylinder

MSRP: \$135.00

SUP Safety Belt

Using the same inflatable bladder from MTI's best-selling Fluid 2.0, the SUP Safety Belt packs down smaller to give you peace of mind in a compact package. The neoprene back gives you comfort while you are racing, doing yoga, or just going for a paddle around the lake. Attach a whistle or water bottle to the movable D-Rings. This USCG Type III belt pack PFD is approved to be worn or carried and features a window so you know when your PFD is armed and ready to use. Don't mess around with bulky PFD's - Grab MTI's SUP Safety belt and make the most of your paddle.

- New USCG approved inflatable belt pack PFD
- 1.5mm neoprene back is soft against skin
- Zippered storage pocket fits even large phones in waterproof case
- 2 moveable D-rings on belt for attaching gear
- Indicator Window lets you know in an instant if PFD is armed for inflation, uses included bayonet style 24g CO2 cylinder
- Easy fold and roll bladder makes packing a breeze

MSRP: \$99.95

Helios 2.0

Designed with a longer stole shape for a more comfortable fit, the Helios 2.0 is a favorite of sailors, kayak fishermen (and women!), and anyone who doesn't want to wear a bulky life jacket. Manually inflate the vest by pulling the Jerk tag for flotation on demand!

MSRP: \$139.95

SOS Elite Belt Pack

Safety and style at budget friendly price

The new low profile, compact designed Stearns® SUP Elite Inflatable Belt pack offers the safety you need and complete freedom to move while on your SUP, kayak, canoe, raft or other watercraft.
